Greater Naples YMCA

Financial Assistance Policy & Procedures

Mission Statement

To put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

Policy Statement

It is the mission of the YMCA to provide services for any person or family who desires to participate in the YMCA, regardless of the ability to pay the standard membership or program fee.

Every year the YMCA raises money to help scholarship youth and families through our Annual Support campaign. Those not able to pay the full fee may be awarded assistance based on their demonstrated ability to pay and the YMCA's ability to provide funding.

Because of demand for financial assistance is great, the YMCA must follow the eligibility guidelines. Scholarships will be awarded on a first come, first serve basis, subject to available resources. The YMCA reserves the right to adjust scholarships as needed during any given calendar year. Notice will be provided when adjustments are made.

Eligibility

- Applicants must work or reside in the Greater Naples YMCA service area.
- Assistance will be granted based on financial need.
- The YMCA believes a strong sense of ownership and pride is developed if the recipient has contributed to the cost of their YMCA involvement, therefore, applicants will be asked to pay some portion of the fees.
- Financial Assistance is awarded on an annual basis from date of approval and will be re-qualified on an annual basis.
- Financial assistance only applies to membership, childcare, youth sports or aquatics. Financial assistance for specialty programs is not generally available but may be reviewed on a case-by-case basis as requested.

How to Apply

- Applications are available through the YMCA office during normal business hours. All application records will be kept confidential. Applicants must completely fill out the Financial Assistance Application to be considered for financial assistance.
- Applicants are required to provide proof of income. (The YMCA requires two current consecutive payroll check stubs from each member of the household making an income or a letter from each employer verifying salary and/or your latest income tax return. YMCA also requires a current checking account statement). If any member of the household is currently unemployed for any reason, including, disability, documentation proving unemployment must be provided.
- All sources of family income should be reported (this includes alimony, court ordered, and non-court ordered child support, disability, worker's compensation, and any other governmental assistance.)
- Applicants must complete all necessary registrations for the programs for which they are requesting financial assistance.
- Applicants will be contacted within ten to fourteen business days of submitting the request for financial assistance. The applicants will not be registered for programs until they come in and pay the specified program fee once they are approved.

Selection Process

Financial assistance eligibility will be determined by the YMCA Finance Department, based on a thorough review of the application and all supporting documentation. No financial assistance application will be reviewed until all required documentation has been received by the Finance Department. Failure to submit all required documentation will cause denial of your request. Subsidies will be granted to the extent that funds are available. The YMCA reserves the right to deny or end assistance to any applicant at any time. Notice will be provided immediately by the Finance Department.

Continuing Requirements to Maintain Financial Assistance

Update contact information, including address, home phone number, work phone number and cell phone number for all guardians. Maintain on-going current account status.

Notification of changes in income for reconsideration of financial assistance needs.

I acknowledge that I have read and understand the financial assistance policies and procedures defined above. I also agree that failure to comply with these policies and procedures may result in immediate termination of YMCA program services and all financial assistance.

THE ESSENCE OF THE Y

With a commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility, the Greater Naples YMCA ensures that every individual has access to the essentials needed to learn, grow and thrive.

EVERYONE IS WELCOME

The Y welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our Financial Assistance Program, the Greater Naples YMCA provides assistance to youth, adults and families based on individual needs and circumstances.

COMMITTED TO OUR COMMUNITY

Determining assistance amounts is handled in a fair and consistent manner. Every Y member receives the same membership benefits, regardless of whether or not they receive assistance. YMCA members can feel confident knowing that they are a part of an organization that cares greatly for the well-being of all people, and is committed to youth development, healthy living and social responsibility.

A Financial Assistance award reduces membership fees; it does not eliminate them.

The YMCA requests that individuals and families reapply annually, with updated documentation.

Child Care, After School / Fun Days / Camp must reapply before August of each year

Membership fees are subject to change.

If you do not reapply by the time requested, your discount will expire and your membership / program fee will be full price.
