VOLUNTEERS NEEDED!

YMCA READS MENTORS

Become a mentor and give a child the courage to read the world!

By volunteering two hours a week, you can teach a child to read. As a YMCA READS mentor, you will work in a small group environment or one-on-one with a kindergarten to fourth-grade student, developing positive self-esteem and helping students improve their academic performance. Be a child's tutor and friend and give them the keys to a brighter future.

No experience necessary!

How can I help? . . . become a Mentor and make a difference!

- Training and ongoing support is provided by YMCA Reads staff.
- Student volunteers over 18 years old can earn community service hours while gaining valuable experience working with children in an educational setting.
- Volunteers can enhance an interest while providing a critical service to the community.
